HARM CAUSED BY THE SERVICES OR APPLICATIONS OF THIRD PERSONS.

2. We are responsible for the fact that the Service will be provided in substantial respects in accordance with its current documentation and these Conditions.
3. We are not liable for defects of the Services or any harm if incurred as a result of
 1. an act or omission on your or any User's part,
 2. applications of a third party,
 3. any modifications to the Service, which were not carried out by us, or
 4. your failure to carry out timely modifications or updates provided by us.

6. Liability of the Provider for damage caused to the Customer is limited, in every individual case, to the real damage, i.e. it does not include profit lost. To the extent permitted by law, the parties further agree on an overall limitation of the obligation of the Provider to pay compensation for damage incurred by the Customer as a result of a breach of duties of the Provider, arising from the Contract, to the maximum total amount of damage equal to the remuneration paid by the Customer to the Provider according to the Contract for 3 months directly preceding the harmful event.

8. DURATION AND TERMINATION OF PROVIDING THE SERVICES

1. The duration of every subscription or interim contract is defined in the Contract. 2. A party is entitled to terminate this Contract by a written notice with the notice period lasting one (1) month from the delivery of the notice, if the other party has substantially breached the Contract and has not corrected that error even within a reasonable period set by the damaged party in a notice sent to the breaching party.
3. If you terminate this Contract according to Article 8.2, we will return to you the part of the paid price relating to the remaining period according to the Contract after the day of terminating the Contract. Your withdrawal from the Contract does not release you from your obligations to pay all prices for Services provided.

We will notify you of such change in time, at least in the form of publishing the information of such change on our website www.jetcs.co and, if you disagree with the change, we will enable you to terminate our cooperation on the grounds that the original Conditions will be valid until the end of the cooperation.
